WESTERN LAKE SUPERIOR SANITARY DISTRICT
DULUTH, MN
2026 WOODLAND INTERCEPTER REHABILITATION

General Notice

WLSSD (Owner) is requesting Bids for the construction of the following Project:

2026 Woodland Interceptor Rehabilitation
Bid 1514

Bids for the construction of the Project will be received at the **WESTERN LAKE SUPERIOR SANITARY DISTRICT** located at **2626 Courtland Street, Duluth, MN 55806**, until **Thursday, May 28, 2026 at 2:00 p.m.** local time. At that time the Bids received will be publicly opened and read.

The Project includes the following Work:

Rehabilitation of interceptor using cured in place pipe (CIPP) lining for 690 LF of 27-inch and 282 LF of 30-inch reinforced concrete pipe (RCP) and rehabilitation of associated brick manhole structures. Additional Work for Alternate No. 1 includes rehabilitation of interceptor using cured in place pipe (CIPP) lining for 219 LF of 18-inch, 651 LF of 24-inch, and 790 LF of 30-inch reinforced concrete pipe (RCP) and rehabilitation of associated brick manhole structures. Additional Work for Alternate No. 2 includes rehabilitation of interceptor using cured in place pipe (CIPP) lining for 1,297 LF of 27-inch reinforced concrete pipe (RCP) and rehabilitation of associated brick manhole structures.

Obtaining the Bidding Documents

Information and Bidding Documents for the Project can be found at the following designated website:

wlssd.com/doing-business/bids-proposals

or

questcdn.com

Bidding Documents may be downloaded from the designated website. You may download the digital plan documents for \$25 by inputting Quest project #10118392 on the website's Project Search page. Please contact QuestCDN.com at 952-233-1632 or info@questcdn.com for assistance in free membership registration, downloading, and working with this digital project information. An optional paper set of project documents are also available from the Owner for a nonrefundable price of \$100 per set (drawings will be 11x17). Contact WLSSD at 218-722-3336 for printed bidding documents.

Prospective Bidders are urged to register with the designated website as a plan holder, even if Bidding Documents are obtained from a plan room or source other than the designated website in either electronic or paper format. The designated website will be updated periodically with addenda, lists of registered plan holders, reports, and other information relevant to submitting a Bid for the Project. All official notifications, addenda, and other Bidding Documents will be offered only through the designated website. Neither Owner nor Engineer will be responsible for Bidding Documents, including addenda, if any, obtained from sources other than the designated website.

Questions regarding the bid documents should be directed to **SEH** attention: Dianne Mathews at dmathews@sehinc.com

USE OF AMERICAN IRON AND STEEL AND BUILD AMERICA, BUY AMERICA: This project is being partially funded by the Clean Water State Revolving Fund which requires that all "iron and steel products, manufactured products, and construction materials" used for a project for the construction, alteration, maintenance, or repair of a public water system or treatment works are produced in the United States, including iron and steel, manufactured products, and construction materials provided by the Contractor pursuant to this Agreement. "American Iron and Steel" and "Build America, Buy America products" means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, conduit, reinforced precast concrete, and construction materials. The Contractor shall comply with the requirements of the American Iron and Steel (AIS) and Build America, Buy America (BABA) Act.

WAGE RATES: Contractor shall be required to pay not less than the prevailing wage rates on the Project as established by the United States Department of Labor (Davis Bacon Act) and State of Minnesota, Department of Labor and Industry. Copies of these wage rates are on file in the office of the WLSSD Wastewater Treatment Facility, Duluth, Minnesota and are incorporated in the Contract Documents.

Pre-bid Conference

A mandatory pre-bid conference for the Project will be held on **May 14th at 10:00 a.m. at Western Lake Superior Sanitary District / Resource Renew, 2626 Courtland Street, Duluth MN 55806**. Bids will not be accepted from Bidders that do not attend the mandatory pre-bid conference.

Instructions to Bidders.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.
