

**NOTICE OF PUBLIC HEARING
ON THE
WESTERN LAKE SUPERIOR SANITARY DISTRICT
2027 CAPITAL BUDGET PROJECTS**

NOTICE IS HEREBY GIVEN, that the Board of the Western Lake Superior Sanitary District (“District”), will meet on Monday, September 14, 2026, at 4:00 p.m., in the District Board Room, located at 2626 Courtland Street, Duluth, Minnesota, for the purpose of conducting a public hearing on those projects involving improvements and betterments to the interceptor system and treatment works operated by the District which are intended to be Capital Budget Projects during 2027. A list of the Capital Budget Projects may be obtained by contacting Brandon Kohlts, Director of Planning and Technical Services at the District offices or by telephone at 218-740-4798. The estimated cost of the Capital Budget Projects for 2027 is not to exceed \$25,000,000. The cost of the Capital Budget Projects will be allocated among local government units and industry based on usage of the District wastewater system.

Circumstances may develop during the year which requires the District to add or delete projects involving improvements and betterments to the interceptor system and treatment works operated by the District.

All persons interested may appear and be heard at the time and place set forth above.
